

Notice to Mariners 29th June 2022

First Issued: 29th June 2022

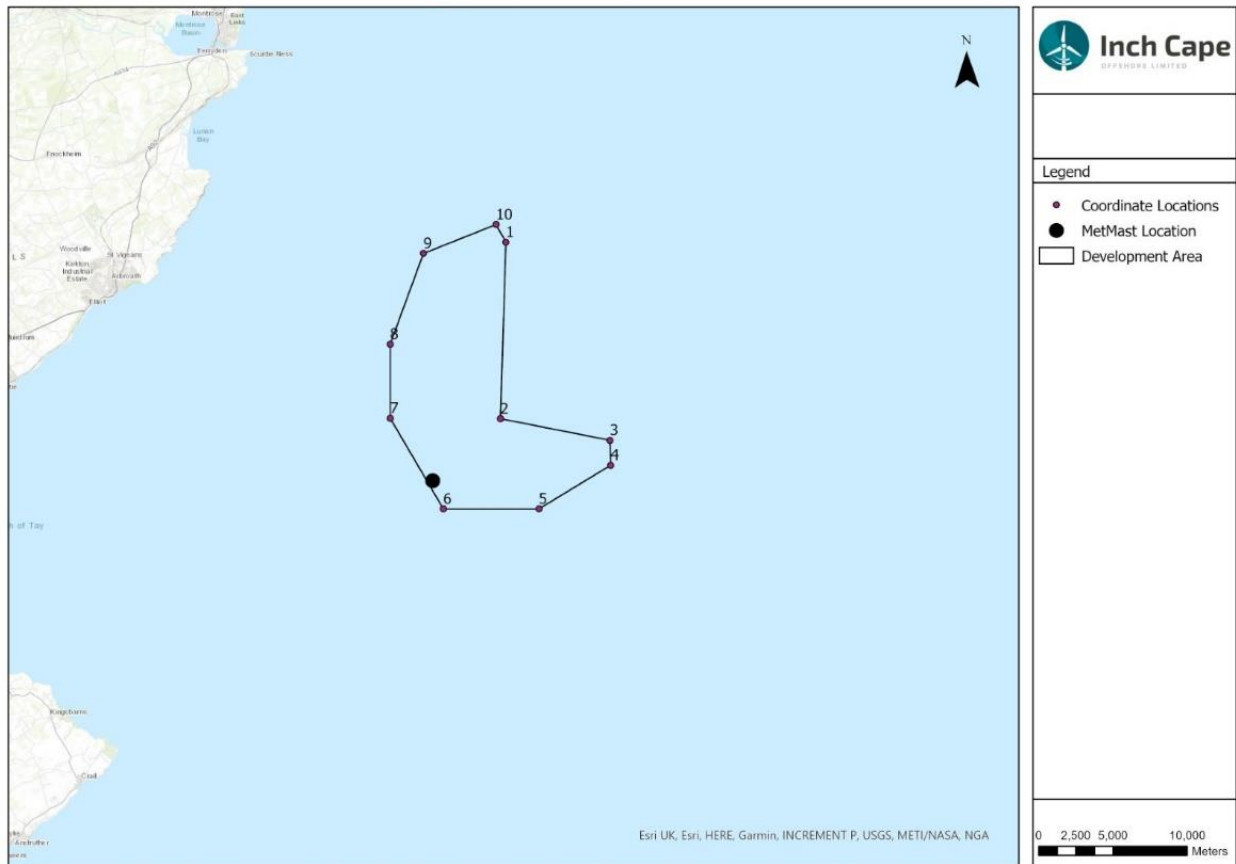

Works

Please be advised that Fugro will be performing vessel mounted bathymetry survey on behalf of Inch Cape Offshore Limited. The works are to be carried out within the Development Area (see Figure 1 below) for the consented Inch Cape Offshore Wind Farm located within the Outer Firth of Tay.

This scope of works will commence on or after 02nd of July and are expected take up to 10 days to complete, weather permitting. The works will be undertaken using the vessel Mainport Geo.

During the survey the vessel will be displaying the relevant RAM lights and displays during periods of restricted manoeuvrability. Whilst not recommended, vessels entering the survey area are requested to maintain a 500 m safety zone.
