

Notice to Mariners 10th June 2022

First Issued: 10th June 2022

Works

Please be advised that Wood, on behalf of Inch Cape Offshore Limited, will be undertaking maintenance works on the Inch Cape Offshore Met Mast to repair the intermittent fault with the AIS. Works will commence on or after 13 June 2022 and are expected to last 1 day, weather dependent. During these works a vessel will operate from port to the works location (56° 26.404 N; 2° 14.489 W). The vessel will remain on site during the works and will then return to port.

Location

The co-ordinates of the met mast are as follows:

Latitude (Degrees, minutes, decimal minutes)	Longitude (Degrees, minutes, decimal minutes)
56° 26.404 N	2° 14.489 W
